LES MILLER NAMED REEVE AT ORGANIZATIONAL MEET

At the organizational meeting of the County of Parkland No. 31 held in the County Office in Stony Plain on November 24th, Councillor Les Miller was named Reeve for the ensuing year, taking over the post held by Rudolph Zander of Tomahawk.

Mr. Zander, who nominated Mr. Miller, stepped down because of pressure of other commitments. Mr. Zander, who has represented the Tomahawk area in municipal government for over 20 years, was recently re-elected as a director of the Alberta Association of Municipal Districts and Counties.

All members of the County Council were present for the meeting which saw Mr. Zander elected as Deputy-Reeve on the motion of Councillor Bailey. Mr. Bailey was also nominated as Deputy-Reeve by Councillor Bakker, but declined the nomination.

Other committee appointments were as follows:

SCHOOL COMMITTEE

On motion of Councillor Lent it was agreed that the Council in whole, namely Reeve Miller, Deputy-Reeve Zander and Councillor Bailey, Bakker, Lent, Mann and Vowk be appointed to serve on the County School Committee.

MUNICIPAL COMMITTEE

The Council in whole, namely Reeve Miller, Deputy-Reeve Zander, and Councillors Bailey, Bakker, Lent, Mann and Vowk were appointed as the Municipal Committee on motion of Councillor Vowk.

AGRICULTURAL COMMITTEE

The Council in whole, namely Reeve Miller, Deputy-Reeve Zander and Councillors Bailey, Bakker, Lent, Mann and Vowk were appointed as the Agricultural Committee on motion of Councillor Mann.

FINANCE COMMITTEE

The Council in whole, namely Reeve Miller, Deputy-Reeve Zander and Councillors Bailey, Bakker, Lent, Mann and Vowk were appointed as the Finance Committee on motion of Councillor Zander.

PUBLIC WORKS COMMITTEE

The Council in whole, namely Reeve Miller, Deputy-Reeve Zander and Councillors Bailey, Bakker, Lent, Mann and Vowk were appointed as the Public

Mr. and Mrs. Jay Town

Couple Celebrate 60th Anniversary

Mr. and Mrs. Jay Town were honored at a party in the Moon Lake Hall on Saturday, November 15th to mark the occasion of their Diamond Wedding Anniversary.

The couple were married on November 19th, 1909 by Rev. S.L.W. Horton. The bride was the former Miss Vida Latterell of Hammer, Saskatchewan.

The couple have eleven children, forty grandchildren and thirty great-grandchildren. Members of the family travelled from many places to be with their parents on this special occasion.

The couple received many lovely gifts and flowers, including a purse of money, a gift of the Moon Lake Community Hall and friends and relatives. The table feature was a beautiful three-tier wedding cake, baked and decorated by their daughter Mrs. Laura Tufty.

Mr. Leo Jensen was master of ceremonies and also conducted a mock wedding with the bride and groom attended by four sons and four daughters. During the ceremony, the groom of sixty years placed a beautiful diamond ring on his bride's finger.

Congratulatory telegrams were received from Her Majesty the Queen; Prime Minister Trudeau; Lieutenant Governor Grant MacEwan; Premier Harry Strom; and M.L.A. Ralph Jesperson of Stony Plain.

SCHOOL VOTE THURSDAY, 4th

Voters in the County of Parkland and Edson School Division will go to the polls on Thursday, December 4th to vote again on the proposed regional high school at Evansburg.

A plebiscite on the proposed $1,350,000 school to be built at Evansburg by the Edson-Stony Regional High School District was defeated on July 24th. The result of the plebiscite was 674 against and 627 in favor.

The result of the plebiscite was subsequently challenged in court and ruled invalid necessitating the second plebiscite called for December 4th.

The debenture poll seeks approval to borrow $1,350,000 for the construction of a masonry high school building with eight general classrooms. Additional facilities would include science rooms, language laboratory, library, home ec. room, industrial arts room, gymnasium, merchandising room, typing room and other unspecified rooms sufficient to provide a functional educational unit.

Voting is restricted to proprietory electors who are defined as electors of a division who are liable to assessment and taxation for school purposes in respect of property situated in the division.

In simple terms it means that the name of the person that appears on the title to property in the division is entitled to vote. In the case of joint ownership, both owners are entitled to vote.

No proxy voting will be permitted and all electors will be required to sign an oath verifying their right to vote.

Those who support a separate school are not entitled to vote. Ballots should be marked with an (X), any other type of mark will spoil the ballot.

Returning officer for the plebiscite is Mr. Chris Nielsen of Peers.

Trophy Measurement Planned by F.G.A.

Measurement of antlers for trophy competition will be held by Pembina Oilfield Fish and Game on Thursday, December 18th at 8:00 p.m. at Goliad Safety Hall.

Frank Novosel Has Big Weekend as Rebels Win Pair

With Frank Novosel having the best game of the season, and figuring in all nine goals, the D.V. Rebels defeated Stettler 9 - 6 in over-time Saturday at Stettler.

It showed after the first period score of 2-1 in favor of Stettler that the Rebels had been off skates for a week.

The Rebels started to skate in the second period and emerged with a 3-2 lead at the end of the period. In the third, the Rebels seemed to coast a bit and Stettler scored at the 18:00 minute mark to make the score 5-4 in Stettlers favor. The Rebels stormed right back to tie it up at the 18:40 mark with Dan Davie scoring. Doug Hall had a marvelous opportunity to put the game on ice a few seconds later but unfortunately missed the net.

In the ten minute overtime session, the Rebels seemed to get their second wind and outscored the Imperials 4-1 to win the game 9-6.

Frank Novosel, Doug Hall, Kevin Mayan and Dale Rippel played major roles in killing the numerous Rebel penalties. These players seemed to steady the Rebels when they seemed disorganized.

Scoring for the Rebels were Frank Novosel with six goals, Dan Davie with two and Ron Hemmingway picking up the single marker.

On Sunday, with the Rebels giving the best team effort of the year, they swept the two game series at Stettler with a 6-4 victory.

Frank Novosel

The Rebels lead 3-0 after the first period and 5-3 after the second. The Stettler team got to within one goal in the third period and pulled their goalie to try and get even in the last minute but Frank Novosel scored into the open net to put the game on ice.

Rod Colbert scored the prettiest goal of the game, picking the puck up at centre ice, skated through the entire Stettler team and tucked the puck behind the Stettler goalie for the Rebels third goal. The rest of the scoring was done by Frank Novosel, Dan Davie with 2 goals each and Doug Hall getting the other.

Unusual Trophy Deer

Dennis Riske of Drayton Valley is shown here with a strangely antlered whitetail buck he bagged last week in the Berrymoor area. As the photo shows, the buck's antlers feature an unusual downward curl. The animal, that dressed out at 150 pounds, has been entered in the Alberta Fish and Game Association's Non-Typical Trophy event. Many of those who have examined the head feel it has a very good chance of winning the contest.

Conservatives to Meet Saturday

The Annual Meeting of the Progressive Conservative Association of Stony Plain will be held at Dave's Restaurant on December 6th at Drayton Valley. Cocktails at 6:30 p.m. Dinner at 7:00 p.m.

Guest speaker will be Dr. Hugh Horner, M.L.A., from Barrhead.

The Agenda includes discussion on the Constitution, Election of new Officers, and the nomination of a Candidate to contest the next Provincial General Election. The proposed new Constituency Boundaries are also slated for discussion.

Chamber to Hold Annual Meeting

The Drayton Valley and District Chamber of Commerce will hold its Annual Meeting in the Cardium Room, Thursday morning, December 4th at 7:00 a.m.

CONFUSED OVER CYCLAMATE?

The mass media have the public in an uproar over a substance that is most useful to the diabetic and the weight reducer.

There is no scientific evidence to indicate that cyclamates cause cancer ot any other harmful effects in humans. The rats that developed cancerous tumors of the urinary bladder were given 2500 milligrams of cyclamates per kilogram of body weight for 104 weeks (almost their entire life span). On a body weight basis, a 150 lb. man would have to consume approximately 500 eight ounce bottles of cyclamate-containing soft drinks each day during his entire life to consume the same dosage.

No tumors developed in rats given cyclamates at a dose equivalent on a body weight basis to 200 bottles of soft drinks per day throughout the life span for a 150 lb. man.

Does this evidence warrant banning the product? I don't think so. Anything in excess is harmful - even too much food. And if people are going to drink 8 bottles of dietetic pop per day then that's their business. Why should we deprive others of the benefits of this product who have sense enough to use it moderately?

PROPOSED LEGISLATION --Dietetic soft drinks and mixes are to be off the grocery shelf by November 30, 1969; dietetic jams, jellies, desserts and ice cream by April 1, 1970; pediatric drugs by June 1, 1970 and dietetic canned fruits by September 1, 1970.

An article in the November 25th edition of the Edmonton Journal said that the above regulations may be lightened. This means that products such as dietic canned fruit would still be available but a label on them would indicate their danger if used in excess.

Sounds reasonable doesn't it! A well informed consumer will make a wise choice. Follow the HOMEMAKER weekly to aid you in your daily household decisions. See you next week when we'll discuss Christmas wrapping.

Pour a very strong salty mixture down the kitchen sink to prevent grease from blocking up the system - it actually bans the odours too.

RAMONA NEWS

The second class for making Christmas decorations is almost over. The many homes around this community will be spruced up this year.

The sewing class at Rocky Rapids Hall is almost over. If you would like to take sewing lessons after Christmas, ask Mrs. Belva at the Rocky Rapids Store. I have had several ladies tell me they didn't know about the lessons before and wanted to know where they could find out about them. So phone Eileen and I think she will know all about it.

If you see a little red bug running up and down the road in the form of a Volkswagen pick-up, you will see Lloyd Putnam at the wheel.

WEATHER CONFUSES PLANTS

With all the mild weather we have experienced lately it seems the seasons are all mixed up and so are plants in the Drayton Valley and Easyford area.

Mrs. Mary Burrows reported this week that her tulips are growing -- poking their heads above the ground.

We also received word from Mr. Tom Finch of the Easyford district that he found dandelions, not only growing, but blooming in his yard.

Funeral Service For Mrs. Starling

Funeral services will be held on Friday, December 5th for Mrs. Elizabeth Ann Starling who passed away on Monday, December 1st. Services will be held in the Church of God at 2:00 p.m.

Mrs. Starling, who was 74 at the time of her death, was born in Pemgan, Wales and moved to Drayton Valley in 1923.

She is survived by her husband Alexander; five sons, David, Alexander, Ross, Edward and John; three daughters, Hilda, Eunice and Dylis. She was predeceased by a daughter Megan. Also surviving are 28 grandchildren and 15 great grandchildren.

Voyageurs Down Whitecourt 6 - 2

Drayton Valley Voyageurs skated to a 6-2 victory over the Whitecourt team in a game here Saturday, November 29th. Drayton Valley marksmen were Thauberger, Ness and Astle.

Voyageurs will be at home Saturday and Sunday, December 6th and 7th, for games at the Centennial Civic Centre against the Edson Bears.

Marge Pollard went to Edmonton on the weekend with Marianne and Alfred Dahlgren to visit her mother. Mrs. Buzak fell on the ice and wasn't feeling too well. We hope you are up and around again soon.

A housewarming party was held at the Mahan ranch on Saturday evening. About 60 people attended and they were presented with a record cabinet, a coppertone canister set and Marge Blake made them a set of ceramic bowls with their brand on them. Everyone had a real enjoyable evening.

I am sorry that I forgot the birthdays last week. Belated birthday wishes to Audra Swap November 26th, Kelly Davis, Mrs. Darragh, Mrs. Plewis and John Blatkewicz November 27th and Carrie Kelly November 30th.

Happy birthday this week to Barbara Swap December 4th, Kathy Yurchak December 5th, Mike Kmyta and Danny Hallett December 6th, Dianne Lysak December 7th, Eurcie Solomon and Gordon Kelly December 8th, Joy Ann Blatkewicz December 9th and Ken Mulyk December 10th.

David and Ken Dusterhoft and Don Stewart went to Whitecourt on Sunday with the Air Cadets. I hear they had a very interesting day.

Our next bingo is Tuesday, December 9th. The jackpot is $125.00.

SMALL SURPLUS POSSIBLE

From the Summary of Revenue and Expenditures for the period ending October 31st, 1969 for the Town of Drayton Valley it can be noted that the actual revenues are running in line with the estimated as set up in the 1969 Estimates. Also expenditures for the most part are being kept within the bounds anticipated earlier in the year when the Budget was brought down. With normal expenditures for the final two months of the year, 1969 should show a small surplus.

Financial assistance now available for warble fly control programs

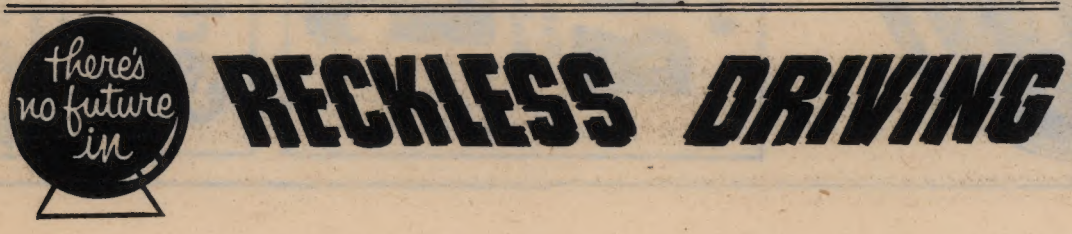
The governing body of a county, municipality, improvement district, special area or Indian reserve wishing to establish a warble fly control program for its area can now request financial assistance from the Alberta Department of Agriculture, Animal Industry Division.

To qualify for assistance, local authorities must first ascertain, through a petition, that at least 80 per cent of the cattle owners in the proposed area are in favor of a compulsory warble control program. After this is determined, a by-law must be passed or other legal declaration made that all cattle in the area must be treated.

Once the program is established, the local authority must provide for personal contact with each cattle owner before fall treatment every year, to make sure he knows the objectives of the plan and his responsibilty to it. The authority, must also ensure that each owner received the latest information on warble control methods and that a complete inventory of his cattle is taken. Each spring, the effectiveness of the program must be checked through a random sample of farms in the area to reveal and treat cattle which were not treated in the fall.

When these conditions are met, the provincial government will pay half the expenses incurred by local authority for spring and fall farm visits, with a maximum of $2,500 in any year, for a period of five years. It will also provide a grant for the promotion of the program, based on the annual inventory of cattle farms in the area.

The effectiveness of the warble fly control program was tested and proven last year in a pilot project conducted by the Alberta Department of Agriculture and the County of Wetaskiwin.



EDITORIAL COMMENT

Is Our Pioneer Spirit Still Alive?

Delegates to the 60th Anniversary Convention of the Association of Municipal Districts & Counties held in Edmonton recently, believe it is.

In no uncertain terms they expressed the belief that our youth would like to be involved physically as well as mentally in the multitude of Boards and Projects planned by our Provincial Youth Department.

Said one Delegate - "Our youth are restless - they are bored. Why set up Adult Boards and Committees to plan activities which they may not be remotely interested in. Let our youth say what they want in the way of recreational facilities and then help them to achieve it. Do not remove their incentive but rather lend them assistance as they lead the way both in planning and the actual construction of a physical facility. When we were young if we wanted a Rink, we built it. Give these kids a chance - don't do all the planning for them and then try and convince them to do as you want."

Delegates who passed a Resolution asking the Department of Youth to involve the youth early in their planning and not wait until plans and facilities are complete, should be commended on their progressive attitude.

Wedding Accounts

The Western Review will print the story and picture of your wedding, free of charge.

However -- we will not print them if they are received more than one month after the wedding date.

It is obvious that even a month after the wedding the story is pretty old news. Please make arrangements for someone to turn in the account of your wedding a few days after the ceremony.

YOU DON'T HAVE TO BE AN EXPERT
TO QUALIFY FOR A FRANCHISE

Our Research Dept. has now completed a one year survey of the Canadian market and has compiled a catalogue of 150 franchise opportunities.

Many of these franchises can be operated from your own home on a full or part time basis.

The National Franchise Association of Canada is now authorized to release this valuable data to the Canadian public and make available modern marketing techniques in the franchise field.

Many of these franchises are available direct to you with no financial outlay and apply to men as well as women.

The 1970 edition of our Franchise and Marketing Directory can now be obtained at cost (on a limited basis only.) A must for anyone contemplating entering the Canadian franchise field.

To cover cost of publishing and handling . . . our cost to you is $2.00.

It was agreed on motion of Councillor Bailey that the Government of the Province of Alberta Treasury Branch and the Canadian Imperial Bank of Commerce in Stony Plain be used as banking agencies by the County of Parkland No. 31.

CIVIL DEFENCE CO-ORDINATORS

It was agreed on motion of Councillor Lent that Mr. Gerald Repecka of Stony Plain be appointed as Civil Defence Co-ordinator and Mr. John Tkach of Stony Plain be appointed as Deputy Civil Defence Co-ordinator for the Stony Plain Civil Defence Unit.

Following lunch, the meeting reconvened for regular council business.

Mr. Edward E. Hennig of R.R.5, Edmonton was present at the meeting and requested additional compensation for land purchased for road purposes in the NE 13-51-27-4.

It was agreed that the original agreement be adhered to and no additional compensation allowed.

HIRING OF POLICE CONSTABLES

It was agreed to call for applications for two Police Constables applications to be submitted by December 22, 1969.

Advertising to be done in the Stony Plain Reporter, The Western Review, Edmonton Journal and Calgary Albertan.

It was agreed that mileage at the regular rate be paid for one return trip to delegates that travelled to annual convention of the Alberta Association of Municipal Districts and Counties held on November 18th to 21st, 1969.

The Financial Statement for the month ending October 31st was accepted.

It was agreed that Mr. E.W. Hillyer and Mr. Niel McDowell be paid the allowance of $50 for business insurance on their vehicles on a pro-rata basis for their period of employment in 1969.

Request for a culvert in an approach to the SE 24-51-28-4 was received from Mr. A.B. Rebus of Stony Plain. It was agreed to supply the required culvert as requested.

Mr. Walter Mandick, Publisher of the Stony Plain Reporter was present at the meeting regarding increased newspaper subscription rates. It was agreed to accept the rate of $2.60 per year for resident subscribers and $3.00 per year for non-resident subscribers. These rates to apply to the Stony Plain Reporter and The Western Review.

Six representatives from the Leduc, Breton, Thorsby and Stony Plain Fish & Game Association were present at the meeting and requested that an access road be constructed to the south side of Lake Wabamun west of the SW 31-52-4-5. It was agreed to contact the Reclamation Board and Calgary Power Ltd. regarding restoration of this road allowance.

TRUCK TENDERS

Tenders for one tandem truck were submitted by the following: D.V. Ford-Mercury Sales Ltd., Drayton Valley; Barth & Gosset Ltd., Stony Plain; Fuhr's Mercury Sales Ltd., Spruce Grove; and Derrick Dodge Chrysler, Edmonton. The Tenders were referred to the purchasing committee for study and recommendation.

It was agreed to abide by the Board of Industrial Relations Requirements concerning eligibility for holidays.

The purchasing committee recommended that the tender of Fuhr's Mercury Sales Ltd. of Spruce Grove be accepted for one 1970 Ford LT 8000 Diesel as per quotation. Recommendation accepted and purchase approved.

Request for payment of overtime for 261 hours during 1969 was received from Mr. T.G. Washburn of Stony Plain. Payment approved.

Mr. Edward Webber, Construction Supervisor, was present at the meeting and requested payment of damages to his automobile sustained in the shop yard.

It was agreed to submit this claim to the Insurance Company.

Representatives from Canadian Motorola Electronics Co. were present at the meeting in connection with the radio communication system.

Agreement for removal of gravel from the SW 20-50-4-5 was approved.

Agreement for backsloping on the north side of the NW 24-51-28-4 and the south side of the SW 25-51-28-4 was approved.

Preliminary agreement for land for road purposes in the NW 28-52-1-5 with compensation of $150 per acre was approved.

The meeting adjourned at 6:00 p.m. on motion of Councillor Bailey.

SUB-MITS
FROM THE ELEMENTARY SCHOOL

My apologies to Mrs. Colbert. Her teaching before coming here includes one year in Calgary with a Special Class, and regular classes at Whitecourt and Strathmore.

* * *

The sincere thanks of the whole staff goes out to you, the parents, who came for interviews. We hope that you found it as valuable and profitable as we did. Just for the records, 84% of the pupils had one parent or even both parents come to the school. There was a marked increase in the number of fathers who came, even though it was during working hours. Thanks again.

* * *

Everyone knows that teachers have their favorite riddles or problems. Here is a collection of Mrs. Sware's. See if you can translate each of these into a well-known saying. Answers next week.

1. A mass of concentrated earthly material perennially rotating on its axis will not accumulate an accretion of bryophytic vegetation.
2. A superabundance of talent skilled in the preparation of gastronomic concoctions will impair the quality of a certain potable solution made by immersing a gallinaceous bird in ebullient Adam's Ale.
3. Individuals who perforce are constrained to be domiciled in vitreous structures of patent fragibility should on no account employ petrous formations as projectiles.
4. That prudent aves which matutinally deserts the cosiness of its abode will ensure a vermiculate creature.
5. Everything that coruscates with effulgence is not ipso facto aurons.
6. Do not dissipate your competance by hebetudinous prodigality lest you subsequently lament as exiguous inadequacy.
7. An addlepated beetlehead and his specie divaricate with startling prematurity.
8. It can be no other than a malificient horizontally propelled current of gaseous matter whose portentous advent is not the harbinger of a modicum of benificence.
9. One should hyperesthetically excercise macrography upon that situs which one will eventually tenant if one propels oneself into the troposphere.
10. Aberration is the hallmark of Homo Sapiens while longanimous placability and condonation are the indicia of supramundane omniscience.

* * *

Teachers take advantage of every opportunity to enlighten children. An electrician who was hooking up the power in the car-plug-ins was invited into Mrs. Sware's classroom to explain what he was doing. Thanks again Orest.

* * *

Description of the Week: Said Bradley from Mrs. Steeves' room as he came back into the library. "Mrs. Martin, have you found a pencil? It's a big yellow one and it's skinned."

- Sincerely, Olga Brown.

MAGNOLIA NEWS

Cliff and Celia Mac Dougall of Hinton stopped on their way home during Friday, November 21st to visit with Bob and Nora McCracken and family. They were returning from a 3-week trip to Toronto and points further west. While travelling they visited their daughter, Noreen and family and other relations. They report having a wonderful holiday and also good weather.

Henry Sawatsky is the proud owner of a brand new full-tandem, blue-green truck.

Congratulations are extended by the community to Mr. and Mrs. Ken Hamilton (nee Norma Tuftin) who were married on November 14th.

Sunday visitors with Ray and Della Storms were Fred Larson, Bud, Barbara, Patrick and Barbara Ann Storms and the Stables family. Pat and Ernie Stables were up to celebrate the sixth birthday of their son Todd.

Roy Walker is remaining in Stony Plain under doctor's care.

Mrs. Henderson of Flatbush, a sister of Allan Walker's, arrived on Monday, November 24th by bus to spend a few days at the Walker home.

Monday evening visitors at the J. Balfour home were Rita and Dalene Roth and Mrs. Lorraine Hoffman of Wabamun. Also visiting were Gordie Satermo and Evelyn Gusock of Edmonton and Mr. and Mrs. Alvin Satermo with their daughter Lona and son Len.

Mr. Cherington, the pest control officer from Moon Lake was in this area on Monday to see how the coyotes were making out with the farmers.

We wish Blaine Negraiff a very happy birthday. He was seven on November 25th.

Deaths from lung cancer are much more frequent among men than women. Of the 4,470 lung cancer deaths in Canada during 1968, 3,800 were males and 670 were females.

F.U.A. to Meet December 10th

The F.U.A. Local 519 will hold a general meeting Wednesday, December 10th at 8:00 p.m. in the Town Hall. All farmers are urged to support their union.

Dominionaires to Present Program

On Saturday evening at 8:00 p.m., the Dominionaires of Calgary will present a program of special music in the Church of God.

The Datsun 1600 Pickup has 43% more power than the largest selling imported truck in North America

There's an imported truck that outsells all other imported trucks put together: Datsun 1300. Which may give you an idea of Datsun's quality. But now there's another truck that may outsell even that: Datsun 1600. It's everything the 1300 is, only more so. You get a 1600 cc engine that puts out 96 hp. and squeezes 30-35 miles to the gallon.
You get an instant-acting heater/defroster with 3-speed blower, quad headlights, 2-speed wipers and 4-speed all-synchro gearbox.
What you get from the Datsun 1600 pickup is heat, light and energy. If you liked the 1300, you can still buy one, and save about $140. But if you want to pick up a little more power, pick up a Datsun 1600.
Will the 1600 pickup take the title of best-selling imported truck away from the 1300?
We hope so, but we don't care.
So long as the title stays in the family.

DATSUN 1600 PICKUP

the more-for-your-money truck from $2175

SUGGESTED RETAIL PRICE P.O.E.

BOX 840 DRAYTON VALLEY, ALBERTA PHONE 542-4564

WILDLIFE PAMPHLET NOW AVAILABLE

"Cloven-Hoofed Animals of Alberta", the second in a series of pamphlets on the province's wildlife, is available from the Fish and Wildlife Division of the Alberta Department of Lands and Forests.

The folder contains color illustrations of moose, elk, deer, Rocky Mountain goat and sheep, caribou, bison and antelope which make their homes in Alberta. Each illustration is accompanied by a description of the animal, its habitat, reproductive processes and diet. Individual maps show the area of the province each animal inhabits, the "life zones".

"Cloven-Hoofed Animals of Alberta" is a companion-piece to "Fishing in Alberta", the first brochure in the series. This illustrates and describes sports fishing species available in the province. In addition, it gives angling techniques suited to each type of fish and locates on a map where each species may be found.

Future subjects in the wildlife series will include "Trees of Alberta" and "Upland Games Birds of Alberta", both of which are slated for publication this year.

An airline reservation clerk had an inquiry from a man about a tour, part of which involved use of Hawaiian Airlines. Since that line demands to know the weight of its passengers she asked him; "How much do you weigh, sir?" "With or without clothes?" the passenger asked. "Well," she replied, "how do you intend to travel?"

Voting Edson-Stony By-Law Poll

1. Poll on school debenture by-law no. 1969-2 will be conducted on Thursday, December 4, 1969, from the hour of 1:30 p.m. to the hour of 7:30 p.m. in the polling places shown on the notice of debenture poll, as published.

2. The poll will be conducted under the provisions of the School Act only.

3. There will be no advance poll, no voting by proxy and no voting as representatives on behalf of corporations. There is no provision for this in the School Act. The poll is restricted to proprietary electors only as defined by the School Act.

4. Sections 2 (g), 2(s) and 105 of the School Act state - "A proprietary elector is a person who is a Canadian citizen or British subject, nineteen years of age or over, resides in the district or division and who has resided therein for at least twelve months immediately preceding voting day, who is liable to assessment and taxation for school purposes in respect of property situated in the district, division, or county."

   The person thus liable to assessment and taxation for school purposes would be the registered owner or conditional owner or purchaser of property under an agreement of sale. The spouse of a proprietary elector would be entitled to vote only if her name also appears on the documents mentioned.

5. Section 244 (4) a proprietary elector may cast his vote at any poll in the division other than that in his district or that at which he has been directed to vote, if before voting he completes the declaration, in the form prescribed by the minister, that he is a proprietary elector of the division.

6. There will be no voters' list and because difficulties were encountered with non-proprietary electors voting in the last poll. the deputy returning officers are being instructed to request every proprietary elector to subscribe to a declaration that he or she is the owner of property liable to assessment and taxation for school purposes within the county or division. This is in accordance with section 250 of the school act which states:

   Section 250 (1) the deputy returning officer shall, if requested by any proprietary elector, or may of his own accord, require any person tendering a vote to subscribe to the declaration in the form prescribed by the minister and any person subscribing to the declaration shall be permitted to vote.

   (2) the declaration shall be subscribed in the presence of the returning officer or deputy returning officer and the poll clerk, who shall subscribe their names as witnesses thereof.

   (3) each declaration made under this section shall be retained by the returning officer.

   (4) if a person who desires to vote refuses or fails to sign the declaration when required to do so, the poll clerk shall make a check mark in the column headed "refused declaration" in the poll book, and the person refusing shall at once leave the polling place and shall not be allowed to enter again or to vote.

   To subscribe to the declaration, write down and bring the correct description of your property. For rural property the quarter section, township, and range are required while only the name of the hamlet, village, or town is required for subdivided property.

7. Section 251 - a person subscribing to a declaration containing any false statement, is guilty of an offence and liable on summary conviction to a penalty not exceeding fifty ($50.00) dollars.

8. Section 248 (4) a proprietary elector is entitled to vote only once upon a by-law.

WARRIORS DEFEAT SALISBURY SABRES

Last season the FMHS Warriors and Salisbury Sabres met in the Alberta zone finals and Salisbury won 41-19 and went on to win the Provincial Championships. In that game the Warriors shot 18% from the floor. These two teams met again this past weekend at the local high school gymnasium and the Warriors shot a fantastic 72% from the floor to drub the Salisbury five 95-30 before a near capacity filled gym of spectators. This contest was all Warriors as they led 18-5 at the quarter; 44-16 at the half and 76-28 at the three quarter time.

Don Bouschard, as he has a habit of doing, started the Warriors off with a strong individual performance giving the club a quick 6-0 lead and the team never looked back. The Warrior victory was a total team effort with numerous outstanding performances. Larry (Rookie) Mattoon, showed that he came to play, with a terrific 26 individual point effort. Keith (Twiggy) Sodergren, one of the great left wings of the Warriors team, came up with another tremendous performance and a 23 point night. Doug (Gunner) Ibbotson showed himself coming into his all-star form of past seasons with a good night of play and 17 individual points. Ron Cameron, whom the local coach feels is probably the finest high school backboard man in the province, also showed himself returning to form. Other Warriors playing real well were Terry Jevne, Ken Dusterhoft, Stan Oulton, Tom McGee, Barry S wap and Earl Nixon.

There was no doubt that the outstanding Salisbury player was number 44, Chuck Gowing, who not only scored 15 points but performed well all evening. Also playing well for Salisbury were John Denison and Murray Young. Even though badly beaten, it is obvious that this Salisbury club is going to be a handful before this season is too far advanced and one can sense a classic rivalry which is developing between these two clubs.

It is difficult to measure the strength of this Warrior ball club at this time of season but more indications will be given as the team travels to Concordia College this Friday to play a team that is reported strong and with some good experienced veterans. The team will be trying their hardest to bring home two points in this interlocking league game and to prove that they belong in this North Central League.

The Warriors sister team, the Warriorettes, lost a real heartbreaking contest to the Saberettes 26-24. They trailed 13-11 at the half but came out strong in the third quarter to take the lead 22-15. This they were unable to hold and they bowed out 26-24 in the dying seconds of the game. The Warriorettes, a vastly improved club under coach Tom Hutton, showed that no team is to take them lightly this season. Playing well for the girls club were Janine LaBranche, Jill Kerr, who is becoming a fine outside shooter, Terry Cable, Judy Gaubault, Judy Wilkes and a real good rookie player Penny Lapointe. The club will be looking to even their league record as they travel to Concordia with the Warriors.

Mr. and Mrs. Albert Thompson, celebrating their 61st wedding anniversary, are shown here seated at the head table during the lunch period at last week's meeting of the Senior Citizens Club.

Senior Citizens Honor Couple

No business was conducted at the regular meeting of the Drayton Valley Senior Citizen's Club in the Elks Hall on Thursday, November 27th. Members enjoyed a Christmas party and honored Mr. and Mrs. Albert E. Thompson on the occasion of their 61st wedding anniversary.

Mayor Howard Pickup offered congratulations to the honored couple and extended greetings to the group on behalf of the Town Council.

With Mrs. P. Jenkins at the piano, Jean Simon sang two selections and this was followed by a sing-song led by Mrs. Pickup and enjoyed by all present. Mr. W. Gray played violin selections and members enjoyed dancing to a few records.

Lunch was served by ladies of the club assisted by members of the Royal Purple.

During lunch Mr. and Mrs. Thompson were presented with honorary life memberships, enthusiastically endorsed by the club membership.

Mr. Thompson offered a few words of thanks and he and Mrs. Thompson cut and served their large anniversary cake.

BURTONSVILLE NEWS

We are sorry to hear that Julie Bailey is ill in the hospital at Barrhead. Julie has been at Swan Hills helping her Aunt Joan.

Emma and Axel Homme enjoyed a lovely dinner with Stanley, Doris and Ken MacDougall on Sunday. Later in the afternoon they joined other relations at Eldon and Marge Greanya's, namely, Gordon Hay and children of Edmonton; Harvey Draves and family; Sheila Krause; LeRoy Greanya; Myrtle Decker and son; and two young boys, friends of the family, all of Edmonton. The young boys who had spent many enjoyable weekends during holiday season, honored Marge and Eldon with a lovely electric tea kettle, the occasion beint their wedding anniversary on November 16th. The parents brought cake rolls and sandwiches making it a very enjoyable afternoon. Also joining the group were Eldon's grandparents, Mr. and Mrs. Tyler, and Ken MacDougall.

Axel and Emma Homme were pleased to have Nelson Southen of Westwold, B.C. visiting them on Tuesday.

Stanley MacDougall was fortunate in bagging a moose his first day hunting this week.

UNITED CHURCH ANNIVERSARY

SUNDAY, 7 DECEMBER, 11:00 A.M.

With a new approach our Church is observing its 12th Anniversary on this coming Sunday at 11:00 a.m. Contrary to other years we are using local talent to help celebrate the significance of the hour.

Two instrumental numbers by teenagers will be presented; selection by the Choir will be offered; an elder will give a short history of the Church; children of the Sunday School will be involved, and after the service lunch will be served to all by the United Church women.

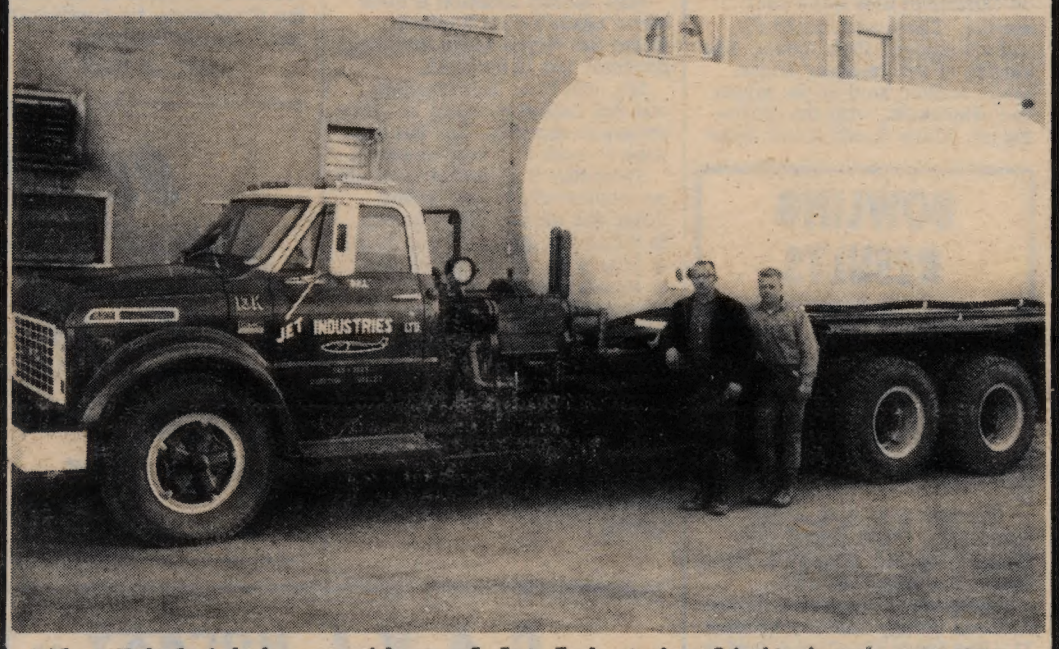
Everyone will be most cordially welcomed.

A.S.B. NOTES

Good Response to Bangs Program

The response to the Voluntary Bangs Vaccination program to-date has been quite satisfactory. This program commenced October 20th and should come to a close on November 30th. It appears as though many cattle owners realize the importance of this program, although it has become a voluntary program in this area.

This fall three Township Captains were hired in booking calves and to aid the Veterinarians. However in the spring of 1970, when there are fewer calves to be vaccinated, we will be using the card system to contact farmers. Again lets say "A small cost involved in vaccinating your replacement heifers, might be beneficial later on."



Alex Nekolaichuk, president of Jet Industries Limited and operator, Bill Blakeman are shown here beside the new truck.

School Committee Regular Meeting

Minutes of a meeting of the School Committee of the County of Parkland No. 31 continued in the County Office on Friday, November 14th.

Present were Messrs. R.A. Bailey, Peter Bakker, L.N. Miller, R. Lent, George Mann, Ivan Vowk, W. Barth and T.W. Johnson, School Committee members, also Superintendent of Schools Mr. Henry Toews and Assistant Secretary-Treasurer A.W. Boychuk.

SPRUCE GROVE SCHOOL FENCE

It was moved and carried that the School Committee negotiate with Mace Homes for the erection of a fence, on a cost sharing basis, between the Spruce Grove School and the developers property i n Spruce Grove. Mr. Towes further advised, in the absence of Mr. W.G. Wilson, that it is recommended that an expenditure of approximately $6,200.00 be made on additional Industrial Arts Equipment. It was moved and carried that the expenditure of $6,200 on Industrial Arts equipment be approved.

It was moved and carried that A.G.T. be requested to submit more information regarding the new proposed telephone installation at Spruce Grove and to advise of any developments at the meeting held on November 12th.

It was moved and carried that Ken Lutz's request regarding the purchase of a coal furnace be referred to Mr. E.W. Hillyer and that any coal furnaces to be sold should be offered for sale by tender.

It was moved and carried that teachers of evening classes be paid at the rate of $20 per session as a travelling and subsistence allowance.

It was moved and carried that a letter be sent to Mrs. A.R. McPhee advising that her complaint regarding school busing is presently under study and that the School Committee has complete confidence in the present school bus operator, Mr. R.K. McElhinney.

PURCHASE OF SCHOOL BUS

The School Committee was advised that Ed Glubish has agreed to accept $2,600 for his 1964 - 30 passenger school bus and it was recommended that this be accepted.

It was moved and carried that Ed Glubish's school bus be purchased for $2,600 as recommended by the committee.

Mr. W. Barth reported that Ed Glubish would like to purchase a 54 passenger school bus instead of a 48 passenger because he thinks that in a short time he will be loaded to capacity. He is willing to accept payment on the basis of a 48 passenger bus until such time as he has more than 48 pupils.

It was moved and carried that Mr. Ed Glubish's question regarding the size of bus to be purchased be referred to Mr. Peter Bakker and Mr. W. Barth for consideration.

It was moved and carried that letters of explanation be sent to the Town of Stony Plain and to the Stony Plain Chamber of Commerce regarding the operation of the Memorial High School Cafeteria.

It was moved and carried that applications be called for a cook for the Memorial High School Cafeteria at $2.50 per hour.

It was moved and carried that the matter of Ed Riedlinger's overload be referred to the School Bus Committee for consideration and a recommendation.

Cont. on Page 12

"What is it the coach always wants 100 percent of?"

ENTWISTLE NEWS

The Entwistle Students' Union Pot Luck Supper which was held on November 21st was a real success. There was lots to eat and all enjoyed their meals. The kiddies of the Students' Union really worked hard at the supper and afterwards, with the cleaning up. Many thanks to all those who donated and supported the supper.

Mrs. Muriel Johnston is back home again from Edmonton where she stayed while her granddaughter was in hospital.

Mr. and Mrs. Rick Harrison and Rex LaRose motored to Saskatchewan recently. Rex has now gone to work at a lumber camp.

Sympathy is extended from out our community to Mr. Bobby Voigt and the Neumann family in Edmonton on the recent death of Mrs. Joan Voigt. Bobby went to school here and many of his friends are still around and we hope they will all be thinking of him during this sad experience.

Three teams from the Entwistle Elks Lodge entered the Elks bonspiel in Drayton Valley on the weekend. Dave Gylander came out 2nd in the No. 2 event and Norman Hanson got a prize in the 4th event. The other was Lorenz.

Nearly Fifth of Alberta Crops Still Unthreshed

Nearly 20% of Alberta crops were still unthreshed at November 24th. In past years Alberta crops have occasionally spent the winter in the fields under the snow. When this has happened a similar situation has unusually pertained to the entire province, with variations, depending on the prevalent crop being grown.

1969 is unusual in that southern Alberta enjoyed near perfect harvest conditions, and practically completed threshing fairly early. Northern Alberta and the Peace River experienced a very disappointing harvest, and it is in these areas that the crop is largely unthreshed. In fact much acreage was never swathed and has gone into winter still attached to the ground.

Alberta Wheat Pool estimates that 38,600,000 bushels of barley lie unthreshed in the fields. It is estimated that 35,360,000 bushels of wheat are still in the field. Wheat was especially slow to cure in the swath this fall, and remained tough or damp throughout the fall season.

Other crops still unthreshed in Alberta at this date include 15,520,000 bushels of oats, 972,000 bushels of flax, 3,036,000 bushels of rapeseed, and 87,000 bushels of rye.

Middle age is that time of life when you've met so many people, every new person you meet reminds you of someone else.

PARKCOURT NEWS

Mrs. Ed Schmidt is still in the Royal Alex. Hospital where she is recovering from a recent operation.

Congratulations of the district go to Mr. and Mrs. Dan Rosadiuk on the birth of their first baby, a son, Brian Don on the 22nd.

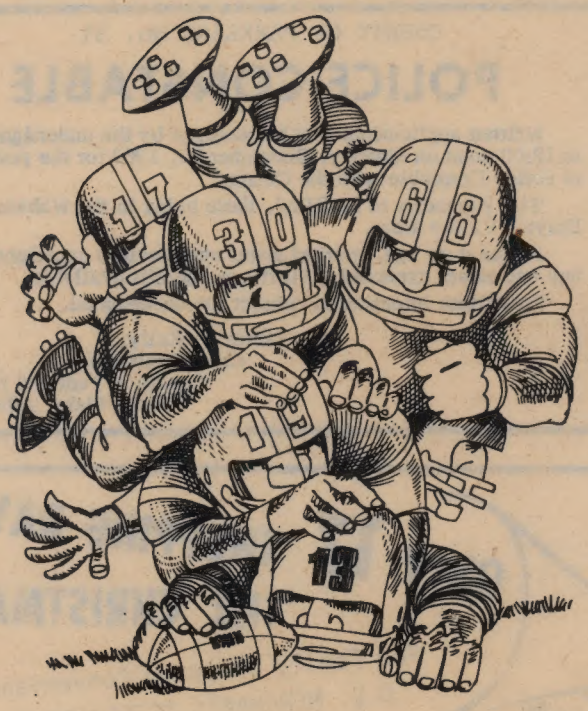
Mrs. Kurt Fausak spent several days holidaying in Edmonton.

Due to the fact that it was Parent-Teacher Day on Friday, the children enjoyed a holiday from school.

Several big game hunters have been out in search of game this last week or so and a few have been successful.

Little Jimmy Brunet was taken to the Drayton Valley Hospital and received treatment for a large cut on his forehead.

Mr. and Mrs. Albert Tuftin and Beverley and Mr. and Mrs. Stanley Greenwood were weekend visitors at Wetaskiwin.



Have you ever considered...

...who keeps industry healthy for you?

The investigation and control of occupational health hazards in industries throughout the province is the function of the Industrial Health Services Division of the Alberta Department of Health. The Division has a team consisting of an occupational health physician and hygienists, chemists, an engineer, radiation health officers and an occupational health nurse consultant. The service is available on request to any employer who is concerned with maintaining a safe and healthy working environment. Work related to problems such as those connected with chemicals, dust, fumes, noise,

radiation can be investigated and evaluated and advice given on methods of control or elimination of the hazard. The aim is to keep Alberta workers healthy and occupationally productive.

...who 'tells all' about Alberta's government?

Keeping you and as many other people as possible fully informed on government activities and services is the responsibility of the Alberta Government Publicity Bureau. Although a branch of the Alberta Department of Industry and Tourism the Bureau's scope of activity includes all departments and, to keep the public informed, it utilizes many forms of communication. Advertisements, such as this, news releases provided to all media, a variety of free periodicals, all are employed to help keep you informed on the activities of your provincial government and the service it performs on your behalf.

...who surveys and divides a subdivision?

Before houses can be built or roads started in any community or subdivision, the land has to be measured and boundary markers set. To see that this is done properly is the job of the Surveys Branch of the Alberta Department of Highways and Transport. In addition, the Branch is responsible for the establishment of base lines and surveying of townships and highways and has direction over all legal surveying done within the province. The Director and his staff also examine all survey plans to ensure their compliance with the Alberta Surveys Act. The results of this work are recorded on plans registered in the Land Titles Office and are subsequently reflected in the variety of maps produced by the Mapping division of the Surveys Branch.

...counting the mink for coats in Alberta?

The hundreds of primary producers who raise Alberta's annual two million dollar fur crop must be kept up to date on all technical improvements and changes if they are to keep their output up and their overhead down. The Fur Farms Branch of the Alberta Department of Agriculture keeps them informed by regular news bulletins as well as field days,

shows and meetings. Regular ranch inspections by personnel of this Branch of the Veterinary Services Division also help maintain the industry whose furs are exported mainly to New York and European markets. An information service is available to the buying public on mink, chinchilla, fox and other ranch-raised furs through this Branch which compiles statistics and keeps accurate count of fur bearing animals raised in this province.

...who is really helped by assistance?

It's not a widely known statistic but social workers in this province have estimated and will tell you the hard fact that vulnerable children make up almost half the entire welfare population. By far the greatest proportion of people receiving vital 'living' assistance under our Social Allowances Program are handicapped persons you seldom meet, aged men and women out of the social mainstream and one-parent families involving mostly mothers with one or more dependent children without support. Through 35 regional locations maintained by the Alberta Department of Social Development the officers and personnel of the Public Assistance Branch administer budgets, channel applications, process payments for food, shelter, clothing and expenses needed to keep up health, education and other standards. They also examine and analyze the effectiveness of active operating plans and trial projects in rehabilitation services offering guidance, training and counselling to help as many individuals and families as possible to get back on the track to self-support, self-determination and independence.

...fast action for accidental poisoning?

Immediate information about poisonous substances is available to your family doctor, hospital, nurses, and, in emergencies directly to parents through the Poison Control Services maintain-

ed by the Alberta Department of Health. Every general hospital in the province has a poison control centre with a quick reference system which tells whether or not a substance is poisonous — what the active poisonous material is, and what can be done about it. In addition to these poison control centres, poison information centres are located in Calgary and Edmonton where information on special treatment of unusual poisons is immediately available to doctors or hospitals.

School Committee Regular Meeting

Cont. from Page 10

PROPOSED SCHOOL CONSTRUCTION

It was moved and carried that the questionaire from the Department of Education regarding proposed construction in the next three years be referred to the Building Committee for attention.

It was moved and carried that the matter of disposing of obsolete books be referred to Mr. W. G. Wilson and A.W. Boychuk for attention.

It was moved and carried that the Spruce Grove janitors be paid for 80½ hours of extra work during the month of October.

It was moved and carried that no car allowance be given to the caretakers and that this matter be discussed with the principals.

It was moved and carried that the School Committee provide material for a bedroom in the basement of Mr. W.J. Anderson's teacherage in Seba Beach on the condition that he supply the labor

It was moved and carried that E.W. Hillyer inspect the Lodgepole School and present a recommendation as soon as possible.

It was moved and carried that Resolution No. 665 of the October 10, 1969 meeting be rescinded and that the proposed increases in rental rates be made in 2 equal instalments; that is the first half of the increase to be made effective September 1, 1970 and the second half to be made effective September 1, 1971.

It was moved and carried that a vote of thanks be expressed to the members retiring from the School Committee.

PROPOSED ADDITION SPRUCE GROVE SCHOOL

The following letter was received from the School Buildings Board regarding the proposed addition to the new Spruce Grove School: - "At a recent meeting of the School Buildings Board regarding the proposed new Spruce Grove Elementary and Junior Hugh School, recognition of need was amended as follows: (Phase 2) BY NEW CONSTRUCTION: DELETE: Gymnasium @ 3840 sq. ft.; Gym Storage @ 200 sq. ft. ADD: 10 General classrooms @ 850 sq. ft. each; Gym, 2-station @ 4800 sq. ft.; Storage @ 300 sq. ft.; Phys. Ed. office, one @ 120 sq. ft.

Plus such other non-instructional areas as are deemed necessary to provide a functional educational unit and fall within the limitations set forth in the Regulations under the School Buildings Act.

It is to be clearly understood that the above recognition of need does not constitute authority to tender.

These additional facilities were regarded as three elementary classrooms and seven Junior High School classrooms. Consequently, maximum support will be $16.27 for this particular area of construction (Phase 2).

It was moved and carried that the Building Committee together with Mr. Henry Toews meet with the Architect on Tuesday, November 18th at 2:00 p.m. to review sketch plans and to authorize the preparation of final plans and specifications.

REPORT ON PLAYGROUND

Mr. Ivan Vowk presented the following report on playground equipment at Drayton Valley and Lodgepole: "Request for playground equipment for schools in Division #7. The Committee found the grounds in all four schools very rough with many mud holes and low poorly drained area, with various sizes of rocks (up to 50 lbs.) both on the surface and partly buried. Also many cords of wood on the grounds of the Drayton Valley Elementary School.

After inspecting these school grounds for playground equipment, of which a list was made and is as follows:

Frank Maddock High School -- one softball backstop, placed on the grounds by a local community group.

Drayton Valley Junior High School -- one softball backstop, placed on the grounds by a local community group.

Drayton Valley Elementary School -- None.

Lodgepole Elementary and Junior High School -- one sand box.

It was moved and carried that Mr. Ivan Vowk's report on playground equipment be accepted.

BUCK CREEK NEWS

The Teen Club would like to thank Mrs. Mary Seiben and Mrs. Agnes Regenwetter for chaperoning their last dance. The next teen dance will be on December 12th.

Mrs. Joyce Stec was the winner of the door prize at the social in Rocky Rapids last Saturday evening.

Curling ice is being made and it is hoped to get the curling started at an earlier date this year. Rinks may be phoned in to Leonard Regenwetter at 542-2145 or Dan Seiben at 542-2496.

Mr. and Mrs. Wasser had their daughter and son-in-law, Mr. and Mrs. Ewold Lauf and Kevin of Edmonton as Sunday visitors.

Quite a few from the district attended a program in Breton on Thursday evening which was put on by the high school and elementary students.

Scout Master Bill Roos and assistant Lawrence Lind took the Scouts to Buck Lake last Sunday to try some ice fishing. The fishing was not successful but they all had a good time anyway.

Economist Reports Food Still Canadian Bargain

OTTAWA -- Food continues to be one of the biggest Canadian bargains, according to a study recently completed by economist I.F. Furniss.

Mr. Furniss of the Canada Department of Agriculture's Economics Branch reports that:

Canadians today spend about a fifth of their disposable income on food. That compares with more than a quarter in the immediate postwar years.

One farmer's work today feeds 42 persons; in 1949, one farmer's work fed 11 persons.

While the Consumer Price Index increased 36% from 1948-52 to 1964-68, the price of food increased only 33 %.

Farmer's prices increased only nine per cent in that same period; at the wholesale level, prices for farm products increased only four percent.

In 1948, an hour's work would buy 1½ dozen grade A large eggs or 1½ pounds of sirloin steak. In 1968, an hour's wages would buy more than 4½ dozen eggs or two pounds of sirloin steak.

Canadian farmers are not heavily subsidized. A comparison by O.E.C.D. shows that federal expenditures on agriculture in Canada (including all activities, not only subsidies, such as research and inspection services) average about $286 per active person in farming compared to $1,287 for United States agriculture. The level of support in Canada is one of the lowest in the western world.

COUNTY OF PARKLAND No. 31

POLICE CONSTABLE

Written applications will be received by the undersigned up to 12:00 noon on Monday, December 22, 1969 for the position of Police Constable with the County.

Two vacancies to be filled, these being in the Wabamun and Drayton Valley areas.

Please state age, marital status and previous experience, if any and salary expected. All fringe benefits available.

For further information contact the undersigned.

James A. Kelly,
Chief Constable,
County of Parkland No. 31,

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending November 27, 1969 provided by the Livestock Division, Canada Department of Agriculture.

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This week est.	11,200	5500	5700	3800	150
Last Week	13,124	5580	7544	3134	884
Same week 1968	9,576	4622	4954	2057	76

SUMMARY

This week's receipts were slightly lower as deliveries would appear to be over the fall peak. Total receipts of cattle & calves were approximately 12,800 head with 500 cattle and 1100 calves being through-billed Sales consisted 75% replacement cattle & calves with slaughter steers, heifers and cows making up the balance. Trade was active throughout the week. Butcher steers sold 25 - 50 higher and butcher heifers 25 higher. Cows uneven, 50 higher to 50 lower. Bulls steady, veal 1.00 higher. Replacement classes steady to firm.

Slaughter Cattle & Calves -- There was a fair offering of choice handyweight steers 1000 lbs. to 1050 lbs. were bringing top prices while heavy over-finished kinds were sharply discounted. Butcher heifers sold on firm basis with a few sales over 26.00. In closing trade heavier weights were selling well up in quotations. Good cows were not too plentiful this week with sales to 20.75 as the week got under way but they were closing 50 lower at a practical top of 20.00. Due to increased demand for feeding and breeding cows most of the lighter weight medium cows were going back to the country. Canners and cutters were mostly 50 higher for the week. Bulls steady. Veal calves 1.00 higher, sales to 37.50.

Replacement Cattle & Calves - Replacement cattle & calves continue to sell at fully steady prices under a wide demand. There was a good offering of high quality stock steer and heifer calves this week with several lots going over quotations.

Shipments -- Last week's shipments out of province cattle and calf shipments were - East 2225 for feeding, 240 for slaughter, Saskatchewan 100 feeders. To B.C. 320 for slaughter and 30 feeders.

CLOSING QUOTATIONS

SLAUGHTER CATTLE

Choice steers 26.25 to 27.00, good 25.50 to 26.25, medium 24.25 to 25.25. Choice heifers 25.25 to 26, good 24.50 to 25.25, medium 22.50 to 24.50. Good cows 19.50 to 20, medium 18 to 19.50. Canners and cutters 16 to 18. Good bulls 21 to 23. Shelly cows 15 to 16.50.

REPLACEMENT CATTLE & CALVES

Good feeder steers (750 & under) 30 to 33.50. (750 & up) 26 to 30, common to medium 23 to 28. Good stock and feeder heifers 25.50 to 28.50, common to medium 21 to 25. Stock cows 20 to 25.50. Good stock steer calves (400 & under) 38 to 41. (400 & up) 35 to 38, common to medium 27 to 34. Good stock heifer calves 30 to 34, common to medium 26 to 31.00.

SLAUGHTER CALVES

Good to choice (350 & under) 34 to 37.50. (350 to 450) 30 to 33. (450 & up) 26 to 30. Common and boner calves 21 to 25.

HOGS

A.H.P.M. Board Monday to Thursday range 35.50 to 38.10 base price, Thursday's range 36.45 to 38.10 base price. Sows ranged from 25.50 to 26.15 dressed. Good boars 16.00 cwt. 1000 feeders sold Tuesday and Thursday afternoon ranging from 36.80 cwt. for 90 lb. feeders down to 24.20 cwt. for heavier kinds. Weaners and light feeders sold by the head from 12.25 to 30.75 each.

SHEEP & LAMBS

Good to choice butcher lambs 1.00 higher selling to 27.00 cwt.

ST. ANTHONY'S NOTES

Two grades in our school went on field trips on Monday, November 24th. The grade nines participated in an interesting and informative trip to Goliad's Oil Fractionation Plant at Buck Creek, while the grade fours had an enjoyable time touring the Wabamun Power Plant.

Friday, November 28th was the day of our "Hippie Day". All Junior High students were required to wear hippie costumes but the ones who didn't were fined 25¢. A protest march was held in the gym at noon at which time the "Hippies" carried signs and marched around the gym, protesting whatever they wished. The best protestor, Colleen Bengston, received as a joke, an old, out of date record. The boy and girl best costumed as hippies in Jr. High were each awarded with a box of incense. They were Vince Meraw and Susan Pezzot.

People are beginning to think Datsun is a Canadian car

There's a legend that says foreign cars aren't a smart buy because it's hard to get them serviced and finding parts can drive you out of your mind. But Datsun is a foreign car. And it's a runaway best-seller.

How come?

Part of the reason could be because there are so many Datsun dealers around. Like 800 in North America. 200 coast-to-coast in Canada. Backed up by about two million dollars' worth of parts.

With that kind of support, Datsun just doesn't seem like a foreign car any more. It seems like a naturalized Canadian.

We don't mind if people forget that Datsun is an imported car. We've got lots of dealers to remind them.

Test-drive a Datsun at any of the 200 dealers in Canada.

the more-for-your-money cars from $1845

SUGGESTED RETAIL PRICE P.O.E. VANCOUVER, TORONTO, MONTREAL, HALIFAX

THERE ARE NOW MORE THAN 20 DATSUN DEALERS IN ALBERTA

Study Suggests Diversification of Agriculture

OTTAWA -- There is greater production of food and feed grains in many parts of the world and a declining per capita demand in western nations for bread grains, especially wheat. That is increasing competition for available markets.

These may be the signals that the greatest strength in Canada's agriculture in the past -- grain exports -- is likely to be its greatest weakness in the future.

So says I.F. Furniss of the Canada Department of Agriculture's Economics Branch.

"While short-term changes such as crop failures abroad can alter the outlook sharply, the longer-run outlook for the industry would appear to be a need for greater product diversification and a tailoring of output more in terms of the market demand of the North American consumer."

Mr. Furniss' comments come as the conclusion to a recently published study of agriculture's contribution to the overall Canadian economy.

Among the facts outlined in the paper are these:

Although the census of 1966 numbered 430,500 farmers, there are only about 100,000 farms selling $10,000 or more of products annually. Operators of these farms are largely full-time farmers; only a small proportion have outside employment.

About half of Canada's commercial census farms produce either wheat or livestock as their main product. There are about 20,000 commercial dairy farms and about 10,000 small farms producing grains other than wheat.

Eighty per cent of the total agricultural land lies in Western Canada. Most of it produces wheat, coarse grains, rapeseed and flaxseed today.

The total investment in Canadian agriculture is about $22.4 billion. That's about $41,000 per worker.

The investment breaks down into 71% in real estate, 18% in machinery, 11 % in livestock and poultry.

The total land area in farming amounts to 174 million acres 76% of it owned by farm operators, 24% rented.

New capital formation in agriculture amounts to about a billion dollars a year -- or about 8% of Canada's total annual new capital formation.

The federal government's Farm Credit Corporation is the main source of mortgage credit, accounting for about two-thirds of the total.

In 1948, the farm labor force numbered 1,096,000 persons or 22% of the total employed Canadian labor force. Today the labor force numbers about 546,000 or 7% of a much larger total labor force. Since 1951, the hired farm labor force has been relatively stable at about 100,000 workers -- 18% of the total number of farm workers in 1968.

The most important single change in the Canadian agricultural economy since 1949, according to Mr. Furniss, is the growing dependence upon the non-farm sector for supplies and services.

Employment in the areas of food processing, tobacco manufacturing, leather goods, manufacturing of implements and fertilizers and wholesale trade related to agriculture totals around 338,000 persons today.

About 18% of total rail freight is comprised of farm products.

One pound in four moving through the St. Lawrence Seaway is an agricultural commodity.

Farm spending on gasoline, diesel oil and lubricants equals about 17% of the total sales of motive fuels for use in cars and trucks travelling Canadian streets and highways.

In the wholesale trade field, about one person in four owes his employment to the sale of farm products, food products or farm supplies. Employment is this area is at least 52,000 persons.

Agriculture contributed 4.6% of Canada's $54.2 billion Gross Domestic Product in 1967, or $2.5 billion worth or products.

Agriculture continues to be the leading primary industry in Canada, ranking ahead of forestry, fishing, mining and oil wells.

Employment in the agricultural sector -- at 7.3% of the 1968 total -- is somewhat higher than the sector's contribution to the Gross Domestic Product. This has been characteristic of the industry, reflecting the somewhat lower average earnings in agriculture as compared with selected other sectors.

Canada's export trade in agricultural products was $1.4 billion last year -- or about 11% of total exports. That compares to about 20% in the early 1960's

Exports of farm products continue to exceed imports of agricultural products, valued at $1.1 billion last year, or about 9% of total imports.

Canada continues to run a trade deficit in agricultural products with the United States, but a trade surplus with Britain and all other countries as a group. Imports are mostly out-of-season vegetables or products of a kind not grown in Canada; the main export, accounting for two-thirds of the total, is wheat. Other exports are rapeseed and flaxseed, live animals, meat and meat products and raw tobacco.

Canadian farmers paid about $175 million in property taxes last year and another $60.6 million in personal income tax.

Productivity (net output per man) increased at a rate of 6.5 per cent a year in agriculture since 1961. At the same time, productivity for all commercial industries showed a much slower growth rate of 2.9% a year.

SEKURA AUCTIONS

MARKET REPORT

With 301 head of cattle going through the sale ring at Sekura Auctions on Wednesday, November 26th, prices edged upward.

Good medium weight stock steer calves sold from 36.00 to 40.00 with lighter kinds selling to 43.60 per cwt.

Good heifer calves traded from 30.00 to 33.00 per cwt, with light ones going to 37.00 per cwt

Medium cows sold from 15.00 to 19.00 per cwt.

Preg. tested stock cows sold from $220.00 to $245.00 per head.

Bulls sold from 20.00 to 21.60 per cwt. with long yearling bulls selling to 26.50 per cwt.

Good weaner hogs sold from $15.00 to $17.50 per head.

Bred sows sold to $110.00 per head.

ALDER FLATS NEWS

Early Tuesday morning, November 18th, Mrs. Gordon Shanks narrowly escaped with her life when her car exploded inside their garage. The explosion sealed the doors leaving Mrs. Shanks trapped in the burning smoke-filled building. Fortunately a burning beam fell knocking an opening in the garage where Shirley was able to escape through. It was miraculous she came through the ordeal uninjured. The garage and car were a total loss. Gordon and Shirley would like to thank their neighbors for their help and comfort.

Congratulations to Mr. and Mrs. Ceh on the birth of their baby girl (Brenda) in the Drayton Valley Hospital.

We are happy to have Mr. Thibault home from the hospital and seeing him up and around.

Mrs. Dorothy Dunn visited the bad lands at Drumheller recently while visiting with friends.

Several hunters from Alder Flats have been successful in getting their game here this season.

Mr. and Mrs. Roy Nerdahl and family of Onoway were weekend guests of Paul Simons. Joyce stayed the weekend with Sandra Ring. Roy returned Monday morning spending the week out here hunting and while here he stayed at the Pete Maciborsky home.

Donnie Maciborsky and a friend, Gerald, from the U of A were home the same weekend.

Mrs. Brenda Grant is a patient in the Drayton Valley Hospital. Mrs. Joyce Hayduk was a surgery patient in the Drayton Valley Hospital. Darrel Hammond is in the Wetaskiwin Hospital, and Mrs. Jean Sargeant spent a few days in the Lacombe Hospital.

The Cub and Scout committee meeting was held at the Schaurite home Wednesday evening, November 26th.

The curling and skating rinks are ready to be flooded as soon as the weather gets cold enough. The skating rink had one flooding before the weather turned warm. Wouldn't it be nice to have artificial ice.

The social evening planned for the Community Association has been postponed indefinitely. The ham and turkey bingo is on December 5th.

Cascade Drilling is drilling a hole west of the Flats.

Dr. Schnee from the Wetoka Health Unit showed a film and gave a talk on sex education in schools at the Home & School Meeting Thursday, November 20th. Buck Lake Home & School members attended this meeting.

Officers this year of the Home and School are President, Hap Schaurite; VicePresident, Marie Blades; Secretary, Bernice Johnson; Treasurer, Bev MacLean; and Program Committee, Mr. Pearson, Mr. Grapentine and Mrs. Hayduk.

The Guide and Brownie Tea was postponed until December 6th.

Debbie Johnson spent the weekend with Rachelle Maciborsky while her mother and sister spent the weekend at Judy Creek.

Our heartfelt sympathy goes out to Mr. Les Dominey and Richard on the death of Mrs. Dominey. The funeral was held in the Community Hall on Saturday, November 29th with interment in the Alder Flats Cemetery.

FORM "D"

Sale and Redemption of Impounded Animals

County of Parkland No. 31
Stony Plain, Alberta

Auxiliary Plans Sale

The Drayton Valley Hospital Auxiliary held its regular monthly meeting November 13th with 16 members and 17 guests present.

It was confirmed that Ann Eustace would attend the annual Hospital Auxiliary's Convention in Calgary November 26th-28th.

Final arrangements were made for the Christmas bake sale and bazaar which will be at the Hudson Bay on Tuesday, December 9th, beginning at 2:00 p.m.

It was reported that the Candy Wreath would be placed in Stedmans Store window with tickets made available from any member of the Auxiliary. Draw will be made at the bake sale December 9th.

Members were reminded that the next meeting will be on December 11th. Since it is our Christmas meeting there will be a gift exchange.

The White Elephant Auction Sale conducted by Peggy McKillop was great fun. The meeting closed with a lovely lunch.

WHO'S NEW

November 24 - Mrs. William Sutherland (Mary), Breton - Girl 7 lbs. 1 oz.
November 25 - Mrs. Bruce Benson (Pearl), Drayton Valley - Boy 7 lbs. 11½ ozs.
November 26 - Mrs. Victor Sunshine (Linda), Lodgepole - Boy 6 lbs. 15½ ozs.
November 29 - Mrs. Robert Brown (Maryann), Lodgepole - Boy 7 lbs. 6 ozs.

The winner of this week's baby contest is Mrs. Benson with her son weighing 7 lbs. 11½ ozs. She may pick up her baby spoon at:

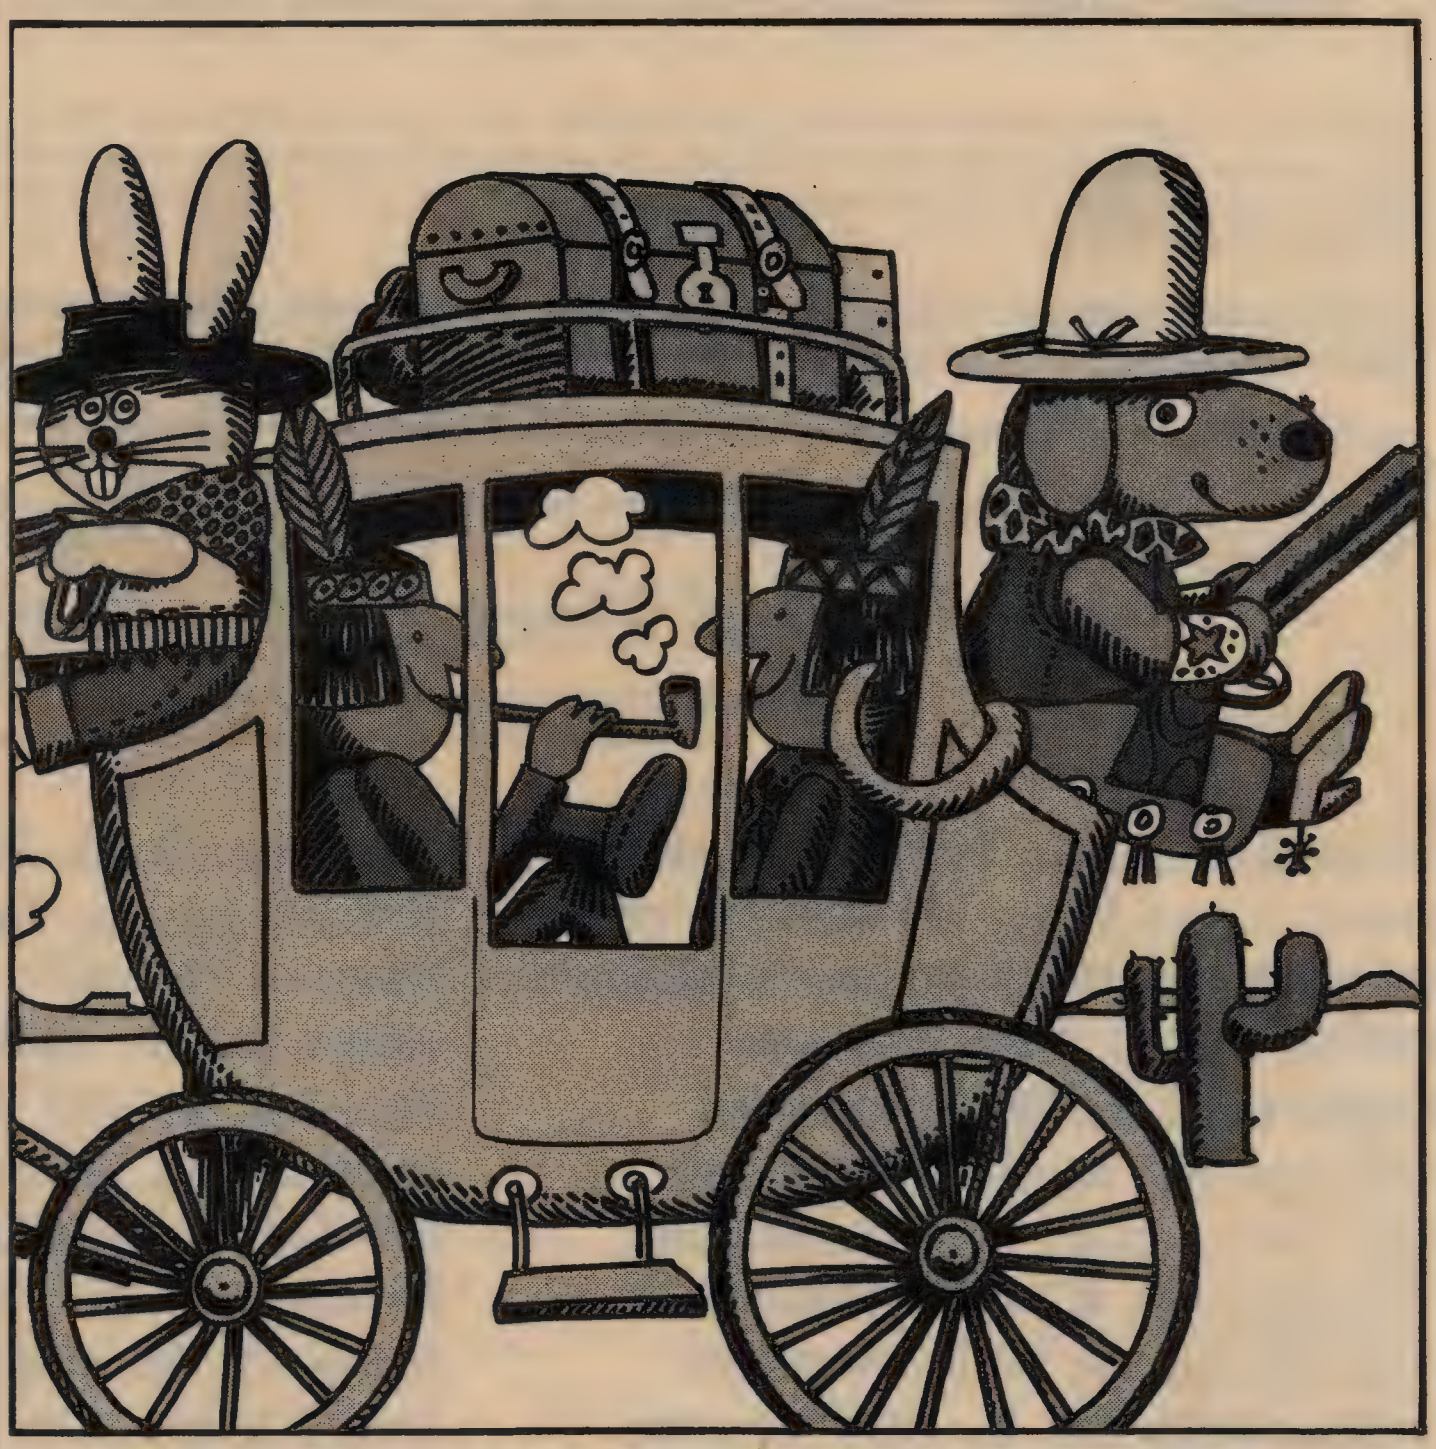
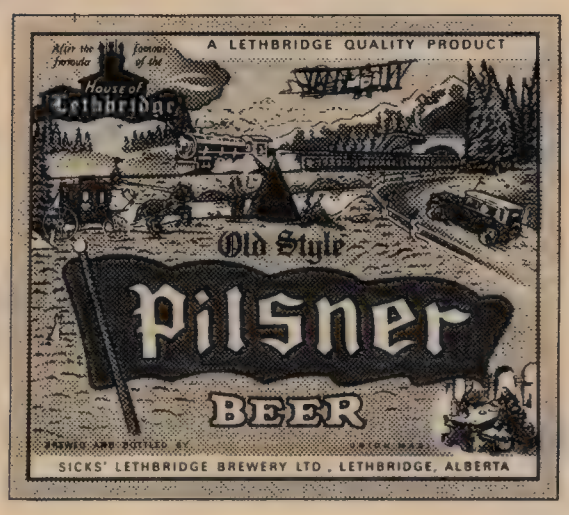
DRAYTON VALLEY



a dog riding shotgun?



A dog named Hoss, at that. And a rabbit who's at home on the reins. Anything can happen on a Lethbridge Pilsner label. One thing never changes, though: the beer behind the action. It's Alberta's original Pil – still brewed the slow, natural way by folks who really know how to deliver that old time flavour.

House of Lethbridge AFTER THE FAMOUS FORMULA OF THE HOUSE OF LETHBRIDGE.

NOTICE OF DEBENTURE POLL

Edson-Stony Regional High School District No. 2

WHEREAS the Board of Trustees of the Edson-Stony Regional High School District No. 2 of the Province of Alberta on the 30th day of April, 1969, passed By-law No. 1969-2 to borrow the sum of One Million, Three Hundred and Fifty Thousand Dollars ($1,350,000.00) on the security of the said District by the issue of debentures repayable to the bearer in twenty-five consecutive annual instalments with interest at the rate of not more than eight per centum per annum for the following purposes, namely:—

Construction of a masonry High School building at Evansburg to consist of: 8 general classrooms; Science Rooms; Language Laboratory; Library; Home Economics Room; Industrial Arts Room; Gymnasium; Merchandising Room; Typing Room; plus other necessary rooms sufficient to provide a functional educational unit. Site, sewage system and furniture and equipment.

And whereas a demand for a poll of the proprietary electors of the said District for and against the said by-law has been made as required by The School Act, 1955;

Therefore notice is hereby given by the Board of the said District that a poll for the purpose of taking the votes of the proprietary electors for and against the said by-law will be conducted on the

4th day of December, 1969

from 1:30 p.m. until 7:30 p.m., at the following places:

THE WESTERN REVIEW

Drayton Valley, Alberta
Wednesday, December 3, 1969

$1,000 Winner

Mr. Tom Collins of 9920 - 148 St., Edmonton, (left), accepts a $1,000 bill from Guy Dompnier Chairman of St. Elizabeth Parish Council, Evansburg, while Mrs. Collins smiles her approval. Mr. Collins was the grand winner of the Harvest Windfall held recently in Evansburg.

D. V. Highlights

BY MRS. EDITH DEBY

Mrs. Alex Starling passed away in an Edmonton hospital on Monday. Although Mrs. Starling's health had not been good for some time her death came as a shock to her relatives and many friends coming as it did after an operation which was apparently successful. Our sympathy is extended to Mrs. Starling's husband and family.

Daniel, Shepel, now Constable Daniel Shepel, of the R.C.M.P. was in Drayton Valley on the weekend to visit his brother-in-law and sister, Mr. and Mrs. Jack Kendrick. Daniel worked for some years for Pan Am before entering the R.C.M.P. Recently graduated from training school, his first appointment is for Lac du Bonnet, Manitoba. Constable Shepel flew to Alberta at this time to be best man at the wedding of his friend, Mr. John Prokopuk.

Mrs. Dora Henschell, formerly Mrs. Dora Morin, had the misfortune to break her leg when she slipped at work on a highly polished floor. The break is a particularly bad one and it is feared that Mrs. Henschell will be in hospital for some time.

Miss Marianne Kaarsemaker, daughter of Mr. and Mrs. Fred Kaarsemaker, has recently become engaged to Mr. John Willock of Peterborough, Ontario. Marianne is in her graduating year at the University of Alberta School of Nursing.

Sympathy is with Mr. Lawrence Duperron whose brother passed away suddenly last week.

Miss Gail Meston, a graduate of Frank Maddock High School, is taking a business course at Alberta College this year.

Mrs. Ted Tucker had hurt her ankle and is likely to be on crutches for some time. Those who know Evelyn best will not be surprised to learn that although the accident has slowed her down a bit, it has by no means brought her to a halt.

Mrs. Roy Burrows's tulips have become confused by the recent mild weather and seem to be planning to bloom for Christmas. Mrs. Burrows is afraid these ambitious plants will feel somewhat frustrated if the temperature drops one of these nights.

Mr. and Mrs. William Mustard, of Seba Beach, were in town for a few hours on Monday. While Mr. Mustard was keeping his appointments Mrs. Mustard took the opportunity to call on old friends.

The local A.T.A. Bowling Tournament was held on Saturday with the following results: Ladies High, Emily Letwiniuk with 300 points. Gentlemens High, Lorne Penkoski with 350 points. The winning team was made up of Richy Woods, Bertha Elliot, Bob Dickson and Lorne Penkoski. Second place winners were Ruby Hurley, H. Lemermeyer, Sophie Lemermeyer and Eunice Lyle.

C.W.L. Christmas Party Monday

The C.W.L. met on Monday, December 1st in St. Anthony's gym for a Christmas get-together with Father Lynch and 55 guests and members. After a fun evening of games, sing songs and gift exchange, everyone sat down to a delicious lunch. The evening was very much enjoyed by all.

Hope to see a good turnout on January 5th at our next regular meeting.

BERRYMOOR NEWS

Mr. and Mrs. Gordon Tryon and daughter from Ryley spent the weekend of November 22nd at the homes of Mr. and Mrs. Donald Martin of Berrymoor and Mr. and Mrs. Chester Tryon of Alsike.

Some of our local folks took in the boxing card held at Breton on November 22nd. During the course of the evening Dennis Haight was presented with a club jacket. Dennis is a former active member of the club but since he suffered an unfortunate accident over a year ago, he has been unable to participate in sports. The Warburg branch of the Royal Canadian Legion and the Breton Elks Club are the two groups who were responsible for arranging for this presentation to be made to Dennis.

Congratulations to Mr. and Mrs. George Davidson of Edmonton on the birth of a daughter on November 19th. Mrs. Davidson is the former Dayna Cropley of Berrymoor.

An award night and banquet for a number of 4-H clubs was held at Calmar on the evening of November 28th. The lieutenant governor of Alberta was the guest speaker and a most enjoyable evening was reported by those who attended.

A pot luck supper followed by twenty games of bingo will be held at the Lindale Hall on the evening of December 5th. This event is sponsored by the local branch of F.U.A.

Charlie Martin was home from his job for the weekend of November 29th. While he was home he took delivery of his new Ski-Whiz snowmobile which he has had on order for some time.

The November meeting of the Berrymoor ThreeB's Club was held jointly at the homes of Helen Anderson and Olga Van Ember Saturday, November 29th. The club had orders for three wool-filled quilts which they put together that day. The attendance was good and it was a busy time for all concerned. The December meeting will be at the home of Linda Van Ember on December 17th and will take the form of a Christmas party. The Christmas hamper which is in the process of being raffled now will be drawn for on that day.

Mr. and Mrs. Albert Pischke and family were Sunday visitors at the home of Mr. and Mrs. Donald Martin.

We are happy to report that Mrs. George Martin is at home again after being in an Edmonton hospital for a while.

Percy Laughlin is a patient in an Edmonton hospital having his broken arm pinned and set.

LODGEPOLE

Several parents attended a Cub meeting on Monday evening to see ten proud boys invested into the club. There are now 18 members.

A social evening was held on Friday evening at the Brazeau Hall as a farewell gathering for several families who will be leaving soon. The dam project has been completed and the camp will be vacated by the year end except for the permanent staff.

Several ladies were guests of Mrs. J. Erickson, who held open house for a dress material display on Monday.

Miss Bonnie McGregor of Medicine Hat is spending a few days here with her family.

Congratulations to Mr. and Mrs R.S. Brown on the arrival of a son on November 30th.

GAINFORD NEWS

Mr. Emil Miller was home with his family for a week. Emil is employed in High Prairie.

Eleven ladies enjoyed an afternoon at the home of Mrs. Eileen Lenz where they exchanged ideas on Christmas decorations for the home.

Mrs. A. Klovansky recently returned home from an 8-week holiday in Europe. In Vienna, Austria Mrs. Klovansky visited her sister and brother-in-law whom she has not seen in 45 years. From Vienna, Mrs. Klovansky visited nieces in Bratislava and Trnava, Czechoslovakia. In Pudmerice, Czechoslovakia, Mrs. Klovansky's birth place, she visited her 3 brothers and a sister for 4 weeks. She also visited in Jilina Trencin. On the flight home she stopped off in Calgary to visit her son Edward and family. It has been 40 years since Mrs. Klovansky left her homeland.

Mrs. Ida Clarke held a surprise birthday party for her daughter Mrs. Janet Hauser on November 19th at her home.

Carrie Lenz spent a few days in Stony Plain visiting her aunt and uncle, Mr. and Mrs. Art Becket.

Mrs. A. Klovansky attended the graduation of her granddaughter Sandra in St. Albert.

Mrs. Art Williams visited Art in the Colonel Newburn Hospital on Sunday, November 23rd.

Mrs. Ida Clarke has her hand in a cast.

Mrs. Janet Hauser, Mrs. Audrey Wittenburg and Mrs. Loretta Koehn painted the home of Mr. and Mrs. N. Congo of Fallis, while Mrs. Congo is a patient in the hospital. This is to be a surprise for Lil when she gets home.

Colin Thorburn, Boris Waloschuk, Jim Hall and Clarence Conrad won third prize in the second event in the Elks bonspiel in Drayton Valley, November 22nd and 23rd.

Mr. and Mrs. George Lawley visited their daughter Bernice Beach and family in Evansburg Sunday, November 23rd. They also visited Mr. and Mrs. Bill Davies in Entwistle.

A speedy recovery is wished Mr. Bill Davies, formerly of Gainford.

Mrs. George Lawley held Artex liquid embroidery parties last week in the home of Mrs. Mateyko in Wildwood and Mrs. Roberts in Wabamun.

Sandra and Maryann Koehn of Entwistle visited Mrs. Ida Clarke on November 24th.

Mrs. George Lawley attended a course on covering shoes and hand-bags in Entwistle on November 24th.

Mr. and Mrs. Wayne Lenz visited Mr. and Mrs. Art Becket in Stony Plain on November 23rd.

A 5-year old watches mother apply a pound of cold cream to her face and neck. After she removes it, he observes: "Didn't work, huh?"

MUNICIPAL CONVENTION REVIEWED

The Diamond Jubilee Convention of the Association of Municipal Districts & Counties was held in Edmonton, November 18th to the 21st inclusive and was opened by the Honourable Harry E. Strom. Guest speakers included the Honourable Fred Colborne, Provincial Minister of Municipal Affairs, the Honourable Bud Olson, Federal Minister of Agriculture, Dr. Hu Harries, M.P. for Edmonton-Strathcona and the Honourable Gordon Taylor, Provincial Minister of Highways.

Three major topics received consideration - Assessment & Taxation, Marketing of Farm Produce and Dust Control on Rural Roads.

The County of Lacombe put forth the following resolution: "RESOLVED that this convention go on record as favoring the assessment of all residences in rural municipalities, but that taxes be levied on either,
(a) the assessment of the residence, or
(b) the assessment of the parcel of land on which the residence is located or,
(c) where a farm unit consists of more than one parcel of land, the total assessment of the land which comprises the farm unit, whichever is the highest assessment."

Dr. Hu Harries who addressed the Convention has a slightly different approach which may be more acceptable to the urban population and we quote, "It would seem equitable to rely upon the indication that is provided by capitalization rates to arrive at assessed values for farm land including buildings rather than artificially separate them as has been suggested and use urban valuation procedures for their determination"--"We recommend a budget capitalization approach to farm land valuation that recognizes the contribution of farm buildings to the capital value through the use of lower capitalization rates"--"The possibilities of requiring the assessment of farm buildings when their value exceeds the assessed value of the land associated with them commends itself."

If in the case where the assessed value of farm buildings exceeds the assessed value of the land we were to add the difference between the land and the buildings to the land, we would reach a more equitable solution as between farms. The Hobby Farmer - the Broiler Operator and other similar operations would be assessed on a higher level thus achieving a more equitable distribution of the tax burden.

The following Resolutions were among the thirty-three which were passed by delegates:
Resolution No. 1 -- Resolved that we recommend to the Department of Lands and Forests that the annual rental on Crown cultivation leases be increased to a more realistic figure.
Resolution No. 9 -- Resolved that Section 30 (a) of the Municipal Assessment and Taxation Act be rescinded or amended in order to allow the assessor of each municipality to reduce the assessment on recreational or summer homes by the use of a factor on the total assessment of the improvement.
Resolution No. 10 -- Resolved that this Association requests that the Provincial Government take all necessary action to amalgamate or enlarge small Municipal Districts in the Province into larger Municipal Districts or Counties by the inclusion of adjacent Improvement District and special areas where applicable.
Resolution No. 15 -- Resolved that the Provincial Government be requested to withdraw amendments to the County Act passed at the 1969 session of the Alberta Legislature that provide the Town and Village representation on County School Committees up to the number of electoral divisions within the County. And it further be resolved that the previous provisions of the County Act be amended to provide that if the number of Towns and Villages within the County exceeds four, electoral wards shall be established each comprised of one or more towns and/or villages as would seem most appropriate for convenient and equitable representation.
Resolution No. 19-- Resolved that the Department of Highways be responsible for the construction and maintenance of service roads which are required in order to provide for the construction of limited access highways.
Resolution No. 20 -- Resolved that Section 181 of the Municipal Government Act be amended so as to give County and Municipal District Councils full and explicit Authority to clear all necessary obstructions from any and all public roads under their control so as to allow full and sufficient Vision Sight for Safe Traffic Flow. Any property owner so effected as a result of this amendment to be fairly and suitably compensated from municipal funds for the loss of shelter belts or aesthetic trees.
Resolution No. 26 -- Resolved that Alberta Association of Municipal Districts and Counties protest to the Federal Government as to this injustice. (Postal Lock Box Charges.)
Resolution No. 30 -- Resolved that this Convention go on record as opposing Daylight Saving Time and opposing the holding of a plebiscite at the next General Election.
Resolution No. 39 -- Resolved that this Committee go on record as being opposed to any change in the exemptions under the present Taxation Act until the report of the Ministers' Committee on Property Tax and Equal Equalized Assessment has been studied.

All forty-eight Municipal Districts and Counties in the Province of Alberta are members of the Association and membership is strictly voluntary. All were well represented at the Convention by 299 councillors and 40 of the 48 Secretary-Treasurers. Two hundred and forty wives of Delegates and Secretary-Treasurers also attended as well as almost two hundred visitors.

Highlighting Social Activities was the Annual Banquet and Dance attended by 800 persons. The Honourable J.W. Grant MacEwan, Lieutenant Governor of the Province was guest speaker.

Mr. Ralph Brown of Acme was returned as President as were Mr. Roger Parker of Adrossan as Vice President and Mr. R. Zander of Tomahawk as Director. Continuing in office are Mr. George Whitehead, Claresholm (Director), Mr. Art Wigmore, Lacombe (Director) and Mr. John Stromstedt, Berwyn (Director).

In 1958, 533 people died of chronic bronchitis in Canada. In the past ten years this figure has grown to 1,357

KEEPHILLS NEWS

Mr. and Mrs. W. Tyler left here last week to return home to Riding Mountain, Manitoba. They plan to visit at Devon, Calmar, Millet and Kinsella before going on home. They have spent over a month west of Edmonton visiting friends and relations.

Congratulations to Mr. and Mrs. Lyle Schweitzer of Stony Plain on the arrival of a baby girl born on November 24th at the Stony Plain Hospital. The proud grandparents are Mr. and Mrs. Roy Schweitzer of Keephills and Mr. and Mrs. Hammer of Stony Plain.

Mr. Le Grand was in the district on Saturday and says he is not in love with city life.

The Birthday Club held its supper at the Keephills Hall on November 22nd. As guests, the members had their husbands and families. It was a delicious supper and everyone enjoyed the evening.

Nora Dombrosky is in Edmonton for a few days.

Sew And Save for Christmas Gifts

Church Dedication On December 14th

Calvary Baptist Church will be dedicating their new building on December 14th, at 3:30 in the afternoon. All are invited to attend this momentous occasion in the life of the church.

The first meetings of the church were conducted by the Rev. Grant Samuelson in May of 1961. They were held in the Elementary School, where the meetings consisted of Sunday School, Worship Service, and Sunday evening services. Prayer and Bible Study Meetings were held in the homes of interested people.

The parsonage was completed in the fall of 1961, and services were conducted in the basement chapel until November of this year. Construction of the new facilities began in April of 1969.

Plan Extra P.O. Service

During the Christmas Season the following additional service will be provided by the Drayton Valley Post Office.

Full day wicket service will be provided on Saturday, December 6th, 13th and 20th.

An extra trip will be performed by the mail truck and outgoing mail will leave during the night of Saturday, December 20th.

Speed labels, to identify local and out of town mail, have been delivered by the Post Office and mailers are asked to use these labels and to tie their out of town and local mail in separate bundles. This will assist the Post Office and will speed delivery of your mail.

To ensure delivery for Christmas, out of town mail should be posted by December 13th and local items by December 17th.

The Post Office will be closed Christmas and Boxing Days.

The person who suffers most from a cold is the fellow working next to the victim.

NOTES FOR NURSES

Nine nurses met Wednesday, November 12th for the regular monthly meeting of the Drayton Valley Chapter #33 A.A.R.N. Following business, a film of the last Civil Defence Exercise which took place about five years ago was shown. The "victums" were high school students very aptly made up. The film showed transportation at the crash scene; cooking and feeding facilities at the Elks' Hall; the patients in the various areas of the hospital, which involved burns, surgery, D.O.A., minor injuries and so forth. This film brings to mind the thought, "Are you prepared for another Civil Defence Exercise if one is called?" If you have an old card from the last exercise, this is not in effect. Please contact V. Koehmstedt for a new application card to fill out if you have not already done so.

December brings to mind Christmas and our annual Christmas get-together which will be at the home of Marilyn Maclean at 5048-54 St. at 8 p.m. on Wednesday, December 10th. This is primarily a social evening with only a minimum of business. Please, won't you come this year?

Little Want Ads -- Big Results.

Couple Feted At Party

Friends in the community honored Mr. and Mrs. Frank Neil at a farewell party in the Scout Hall Saturday evening. Mr. and Mrs. Neil and family have left Drayton Valley for Stettler where Mr. Neil is manager of the Royal Bank Branch.

During the evening they received gifts presented by Bob Mayhew on behalf of all those present. Mr. Neil was also presented with a desk set by Bob Cowan for the Chamber of Commerce in recognition of Mr. Neil's work for the group.

In 1970 the Canada Pension Plan will take two important steps forward for your benefit

1 Retirement Pensions payable at 65

In 1970 the Retirement Pension age will be reduced from 66 to 65. If you are 65 . . . if you've been contributing to the Canada Pension Plan, and if you've retired from regular employment, contact your Canada Pension Plan Office now. If you will be 65 in 1970 get in touch with your Canada Pension Plan Office three months before your birthday. The people there will help you fill out the application form that starts your pension cheques coming. They'll explain how your pension is worked out . . . and when you become eligible. You'll get all the answers to questions about your retirement pension. Payment is not automatic. You must apply. The address of your nearest Canada Pension Plan Office is listed below.

2 Disability Pensions payable for the first time

Disability Pensions for contributors to the Canada Pension Plan will become available in 1970 for those who have contributed for 5 years. Generally, a person is considered to be disabled if he has a physical or mental disability that is so severe and likely to continue so long that he cannot get steady work. Benefits will also be available for a disabled contributor's dependent children.

The Canada Pension Plan also may provide rehabilitation measures where practical. Eligibility for a pension will be based on an assessment of an applicant's medical condition. If you think you might be eligible for a Disability Pension contact your nearest Canada Pension Plan Office. The address is listed below.

Your nearest Canada Pension Plan Office is:

Room 402, IBM Bldg.
10808 — 99 Avenue
Edmonton 14, Alberta.
424-0251

Jr. Hoop Teams Meet Breton Tonight

The newly formed Jr. Basketball clubs of the Frank Maddock High School open their season tonight at the local auditorium as they play exhibition games with the Breton High School. These two teams have been entered into the Pembina League and it is felt will represent their school to the true FMHS spirit that the Sr. Warrior and Warriorette clubs of the past have done. The Jr. Warriors will be coached by Father Edward Lynch and boasts some real fine basketball talent in players like Lee Hurley, David Dusterhoft, Larry Wall, Jerry Mastre, Roger Hutchinson, Glen Swandlund, Doug Steeves, Ben Baxter, Alan Hicks, and others.

The Junior Warriorette club will be coached by Nigel Oakes of the Junior High teaching staff and he too will have some fine basketball talent in Cathy Barnes, Debbie Klippert, Wendy Retelick and others.

Come out tonight and have a look at these new clubs and give them true Drayton Valley support.

Couple Wed In Edmonton

Miss Norma Tuftin, eldest daughter of Mr. and Mrs. Norman Tuftin of Stranger and Mr. Ken Hamilton, son of Mr. and Mrs. A. Hamilton of Sangudo, exchanged wedding vows at the court house in Edmonton during the morning of November 14th.

The bride looked lovely in a street-length, short-sleeved, white and gold dress and white shoes.

Their honeymoon trip took them south to Drumheller, Hanna and Youngstown.

The happy young couple will make their home in Wabamun, where the groom is employed.
